General. By signing up, I am providing Hearty Roots Community Farm Ltd. with the funds needed to operate the farm during the 2010 growing season. I agree to share in the risks of agriculture with the farmers, and I understand that although the farmers will aim to supply me with an ample quantity of many different vegetables and fruits, there is no guarantee that any specific fruit or vegetable, or any specific quantity, will be distributed in the Farm Share.

Hazards on the farm. I understand that although the farmers strive to make the farm safe for visitors, there may be hazards. Hazards include uneven ground, sharp objects, farm equipment, etc. I agree not to hold the farm land owners, the farmers, Hearty Roots Community Farm, Ltd., or the Woodstock Jewish Congregation liable for any injury that might occur at the farm or at the Woodstock Jewish Congregation.
